

Mission Statement:

The Sacred Heart is a Community committed to the education of its pupils in a Catholic Christian ethos, where each person is invited to serve God and others in faith, hope and love.

Aims:

- To foster spiritual growth in Christian faith and values
- To value, enjoy and appreciate learning
- To work for excellence
- To further curiosity and creativity
- To aspire to high ideals
- To stimulate generous service of others

Energy Policy

In order to manage the school's energy consumption effectively we need to monitor it more clearly

- The school is committed to reducing waste
- Setting a good example to pupils
- Encouraging staff and pupils to be careful

The Governors enthusiastically endorse this policy

Aim: To make action plan of energy saving

Action

1. Upgrade light bulbs in the Boarding House
2. Install Thermostatic control on the boilers in Senior School and Boarding House
3. Replace pool cover
4. Re-commission space heating and temperature control in the Barn
5. Install voltage optimiser for incoming electricity
6. Try TRV on radiators in Senior & Lower School
7. Replace Lower School boiler
8. Install control on fluorescent lighting except in the Boarding House

Review: Each term

- Raise awareness of Staff and pupils – Lights on / off; Computers on / off.....
- Monitor energy consumption through invoices
- Read meters weekly / monthly
- Set targets for reduction – 4%
- Presentations to staff and pupils about energy saving measures
- Regularly ask staff where energy can be saved in their area
- Obtain and put up stickers from Carbon Trust etc
